

Mainz congratulates **Rudolf Rocker** on his (belated) 150th birthday

18:00 **Emmelie Öden:** A Rudolf Rocker city tour through Mainz (Gutenberg Monument, Gutenberg Square)

The Mainz bookbinder, writer and activist Rudolf Rocker **spent almost the first 20 years of his life in the city of Mainz** before he had to flee for political reasons. On the occasion of his 150th birthday, a committed group of private citizens and activists have come together to make Rocker known again in his hometown of Mainz. Therefore, an event on Rocker's life, work and **his importance for the city of Mainz will take place on June 8th** at the Johannes Gutenberg University . International speakers will talk about Rocker and his influence on their activities. Philip Rocker, Rudolf Rocker's grandson, will also be a guest of honor.
